# David Alfonso, MD, FACS

**D**R. DAVID ALFONSO is a Board-certified plastic surgeon at The Bengtson Center for Aesthetics and Plastic Surgery. He has a strong following for advanced cosmetic body contouring—especially in 360 liposuction and body and thigh lift patients—and facial rejuvenation surgery, and he also offers a full portfolio of aesthet-

ic procedures. Dr. Alfonso's individualized approach creates a relaxing and enjoyable experience for his patients, as well as a sense of peace that lasts from the beginning of their journey to completion and beyond.

"I am committed to achieving the best possible outcomes for my patients," Dr. Alfonso says. "This comes from combining surgical

skill and experience with compassion, and from listening to my patients' concerns and goals for their surgeries."

With experience that spans more than a decade, Dr. Alfonso is certified by the American Board of Plastic Surgery and is an American College of Surgeons Fellow. He is a member of many professional organizations, such as the American Society for Aesthetic Plastic Surgery and the American Society of Plastic Surgeons, and has earned a number of honors and prominent awards, including several Top Doctor designations. In addition to his many accolades, Dr. Alfonso completed a distinguished cosmetic fellowship in New York City in 2008, which incorporated advanced, specialized surgical training.

On the nonsurgical side, Dr. Alfonso is a published author and respected lecturer, as well as an Allergan national trainer for facial fillers and toxins. He also has a vast amount of experience in lasers, which he combines extensively with surgical facial procedures. Well sought after in West Michigan, his fluency in Spanish allows him to provide an even broader range of patient care.

"I am passionate about producing life-changing results and helping patients—both men and women—realize their cosmetic goals," Alfonso says. "I strive to create a natural enhancement of my patients' inherent beauty."

Dr. Alfonso is supported by an amazing team of caring, supportive staff that are integral to his patients' positive experiences.
